

## Sahagún

The monumental Sahagún stands majestically between the Cea and Valderaduey rivers as the epicenter of peninsular Mudejar art.

Located in the heart of The French Way of Saint James, being the first town in the province of Leon on the Jacobean route, Sahagún invites you to let yourself be carried away by its amazing artistic heritage of beautiful Mudejar churches and quiet convents. Relive the essence of a thriving past that proudly displays the beautiful synchronicity of the different cultures that have coexisted here.

The orchards in the area fill the tables with their exquisite leeks and their famous legumes, without forgetting the succulent pigeons typical of steppe lands.

It will surprise you!
