

Fariza to the Las Barrancas viewpoint

Journey:	Circular
Way:	- On foot (2 h.) - By bike (1 h.)
Length:	7.2 kms.
Recommended:	- spring - summer - autumn - winter

The path crosses the stream through Puente del Puerto and heads towards Ermita del Castillo and Mirador de Las Barrancas, passing through a countryside notable for the spectacular panorama of the gorge of the Duero River, and of particular interest for the birds that nest here.
