

## Lagoons de Antuzanos

<b>Journey:</b>	Circular
<b>Way:</b>	- On foot (1.15 h.) - By bike (0.3 h.)
<b>Length:</b>	4.8 kms.
<b>Recommended:</b>	- spring - autumn - winter

The origin of the lagoons ensemble is originated due to a localized and very deep subsidence of the land; this has meant that their waters are deep and show little variation throughout different seasons.
