Anthropological Museum of Ólvega. Jose Escribano Calvo

A space dedicated by Jose Escribano Calvo, native of Olvega and who for years was a shoemaker in this building, to house a collection of more than 7.000 miniatures, made by him, concerning nearly 40 traditional crafts: coopers, coalmen, cheese makers, tile makers... The exhibition is completed with reproductions in stone and other materials, small-scale, of iconic buildings of Olvega and other places in the province of Soria.
