

## **Fortifications Center - Castle of Puebla de Sanabria**

The Tower Keep, more known in the town by the 'Macho' is the interpretation center that takes us into the history of the town and recalls its important role as a fortress of the Kingdom of Castilla.

It is structured around three themes: - The people of Sanabria and their strength throughout History. - A territory of fortifications. - Everyday life in the Keep Tower. The tour ends with the view of Puebla in the XVIII century from the chemin de ronde of the Castle, where you can compare it with the current.

Inside there is the Fortifications Center, where the visitor knows in a pleasant way the history of the castle, and therefore of the town, and the rest of the fortresses of the province.
