

Interpretation Center of the Bajo Tormes (Monleras)

In the ancient grain stores of Monleras is this interpretation center of the landscape of Bajo Tormes. The traveler will know the birds and Holm oaks, thyme and granite, as well as the ecosystem of the Tormes. In addition, workshops, educational activities and guided tours are organized intended for adults, children and young people.

In the Center we can see the audiovisual "I touch the sky I touch the earth" made by Víctor Casas, projected on 5 different screens and showing uses, customs, landscapes, ways of life and people in the environment in an innovative and surprising way that does not leave the viewer indifferent.
