

Reservoir of Camporredondo

It is part, together with the Compuerto reservoir and other three in the Pisuerga river, of the so-called 'Ruta de los Pantanos' located within the province of Palencia, which is visited by thousands of tourists every year to observe an unique landscape of the Palentina mountain.

Camporredondo reservoir, on the Carrión river, started its operation in 1930, being inaugurated by Alfonso XIII. Set in the natural resource of Fuentes Carrionas, in its waters is only allowed the fishing. It is also an ideal place to observe the rutting deer in autumn.
