

Montemayor del Río

Historical border of the kingdoms of Leon and Castilla with Extremadura, the imposing town of Montemayor del Río is located in a spectacular enclave of the Salamanca Sierra de Béjar.

Its majestic castle and its church have seen neighbors, merchants and muleteers pass by for centuries on the historic routes that intersect its streets, the Calzada and the cattle canyon of La Plata.

The typical stews and sausages from the mountains are a must that will fill the table with flavor and aroma. We will wait for you!
