

## Castle of Fuensaldaña

Built in the 15th century by the Vivero family as a noble home. The family became linked to the region's history when the future Catholic Monarchs got married in their castle.

Construction started in the 13th century, but it is not until the 15th century that the structure acquires today's configuration. Inside, the building was shaped as a 'U' around the coryard, which today has been
