Church of San Cosme and San Damian

Rebuilt between the 15th and 16th centuries. It has a Renaissance façade by Juan de Vallejo, and a round arch of triumph with medallions of Saint John the Baptist and Saint John the Evangelist.

On the facade, above the arch of triumph, there is a Calvary with the images of San Cosme and San Damián.

Inside there is a magnificent Baroque altarpiece by Policarpo de la Nestosa (1663) and there is also a sepulchre by the famous Cristóbal de Andino, of the 16th century, and several paintings.
