

## Barrio Humedo

In the historic quarter of Leon is the Barrio Humedo, composed, among others, by the streets of Mulhacin and Misericordia, whose intersection is the beginning of a tour of the Jewish quarter, installed in this setting from the XIII to the XV centuries. In addition, the square of San Martin stands out as an emblem of this neighborhood, the heart of the Jewish quarter and linked to the medieval guilds developed therein.

Barrio Humedo is known by locals and tourists for being one of the main gastronomic areas of the city, where to enjoy delicious tapas.
