

## LOS CINCO LINAJES

### Posada Real \*\*\*\*

This Posada Real stands in the ancient Jewish quarter, next to the Church of Santo Domingo, in a fully restored noble house whose foundations date back to the 13th century. During the restoration work, great care was taken to preserve as far as possible the original elements of the house. In addition, the décor is fully in keeping with the style of this building, creating a harmonious blend of contrasting classic, rustic and objects.

The Posada Real Los Cinco Linajes has four floors. The restaurant is located in the cellar, whilst the ground floor has a coffee shop and bar. The rooms are located on the first and second floors.
