

MTB Route La dehesa

Journey:	Circular
Way:	- By bike (4.4 h.)
Length:	34.6 kms.
Ascent slope:	350 m.
Difficulty of the route:	High

This route of just over 34 kilometers runs through the Holm-oak wood of La Dehesa, and the districts of Yudego and Villandiego. On the way, if done early in the day or late in the afternoon, the cyclist may even spot some deer nearby the woodland, where he takes advantage of it to hide.
