

## "The Lord of the Spinning Tops" (PENELOPE AND ACHILLES)

**Dates:** May 31, 2025

**When?:**

**Link:** [To know more](#)

**The Lord of the Spinning Tops** comes from unknown places to capture us with his mystery and present us with the Baldufesque universe that he has created, where each spinning top, top, torotola and toupie, engenders a life of its own, manifesting a unique and delirious world. Mounted on his tricarro, he travels around the globe almost without rest, where he transports the entirety of this cosmos that he manipulates with virtuosity and charm. The Lord of the Spinning Tops shows us a small great Circus of Spinning Tops, where the show stands out for the quality of its artists.

**Genre: Circus. Style: Juggling. Duration: 60 min.**

**Show included in the programming of the Scenic Circuits of Castilla y León.**
