Antonio García

Antonio García Hernández Antonio García Hernández, truffle harvester and marketer. President of ATRUSORIA (Association of Truffle Harvesters and Growers of Soria).

Born in Soria, he holds a degree in sociology and studied forestry engineering. He first came into contact with the world of mushrooms and truffles as a child; his passion for this subject led him to dedicate himself professionally to the collection, cultivation, and distribution of truffles, as well as wild mushrooms, for the past 25 years.
