

CyL Procession

Holy Week processions in Castilla y León; now on your Smartphone with the new application.

The application "**CyL Procession**" has been created in order to make the programming of the Holy Week of Castilla y León more accessible to users. It is available on **iOS** (mobile operating systems 5 and 6 of iPhone) and **Android** (OS Android 4) and downloadable through QR codes.

This application contains all the general information and scheduling of the Holy Week of the 22 cities of Castilla y León. This Holy Week has been declared of tourist interest.

With it you get updated information.

DOWNLOAD THE APPLICATION !
