

Herranz Chocolate Factory

The Old Chocolate Factory "Herranz" is the only complete line of machines in the world. Located in the municipality of Migueláñez in Segovia. We visit the factory all year round by appointment and every month we celebrate. All the benefits that we obtain are directed to its restoration.

We make visits with tasting of 2 types of cocoa and 3 types of chocolate throughout the year.

Also since October 12, we have a limited duration party
