

Livestock Heirs of Don Manuel Santos Alcalde, "Los Talayos" Estate

The farm is located in Ciudad Rodrigo, a municipality declared a Historic Site, and in the heart of the pasture, a unique ecosystem where qualified people take care of it, live and love it.

In "Los Talayos" the guided tours are done in all terrain, minibus or truck with trailer, depending on the number of people, with the company of a guide who will explain everything related to raising the bull, the bulls, the mother cows and stallions. In addition, it offers the possibility of knowing the way of life of Iberian pigs.

This farm also has the largest herd of black merino in Castilla y León, making it also a unique opportunity to learn about the details of this endangered breed and therefore marked as "special protection". Berrenda cows also graze in the pasture.

"Los Talayos" is a good place to celebrate a country party or enjoy a hunting day, tasting the cold meats, the jerky, the black merino suckling lamb, tostones, fighting meat and artisan desserts that are made on the farm.

Visit from 2 people. Holding of seminars and conferences. Possibility of dinners and tastings of local products. They have a catering service. They have a groping place. Open all year (prior reservation essential)
