

Cavalcade of Medina de Rioseco

Every 5th(fifth) of January the people of Medina de Rioseco celebrate the twelfth night in a very special way , since their Majesties arrived on board the tourist ship "Antonio de Ulloa " to the dock of the "Canal de Castilla ".The three kings Parade of Medina de Rioseco has been able to bring together this tradition that is repeated in many locations in Spain , with one of it,s many attractions "The canal de Castilla".Thus, the three kings arrive from the east by boat from the Canal de Castilla and then disembark at the dock where they are received by the authorities and continue to ride on beautiful floats the journey through the streets of the town where they listen to the little ones .

The arrival of the three kings is accompanied by fireworks and music ,by the projection on the facade of the flavour factory of "San Antonio " of a video mapping.Both the "Canal de Castilla" and the flavour factory and certain parts of the town have the declaration of assets of cultural interest.
