

Casa del Parque La Metrópoli Verde

Conceived as a reception, information and rest point, it is the ideal place to start any visit to La Metrópoli Verde, which is how we call the natural environment of the House. In it, the traveler will obtain first-hand information on which is the best ride to take at any given moment, rent a wonderful electric bicycle, book a guided tour or learn what are the keys to discovering the treasures of La Metrópoli Verde. To look with new eyes at everything that happens in this metropolis, it is essential to take a tour of its exhibition.
