Archaeological classroom of Castro de las Cogotas

It is a teaching classroom with reproductions of the Vetton culture. The history of various excavations in the fort, from the XIX century to today, allows us to know all the discoveries made.

Site

Las Cogotas

Settlement from the 7th century B.C. to the 3rd century A.D. One of the oldest pre-Roman iron-age settlements in the province. Located on the left-hand side of the river Adaja, within the municipal borough of Cardeñosa, and with a surface area of 14.5 hectares.

Located in a high place that acts as a natural defence and is also protected with walls, moats and cut-stone fields.

Cardeñosa. 5320 Ávila.

Telephone: 920 260 001 (AYTO)
