

Historical Hall of San Felices

The Aula Historica (Historical Hall) allows you to get to know in a graphic and fun way the historical evolution of the monument, narrating the main events that the castle and the San Felices locality lived through in relation to the frontier battles.

The classroom is distributed on the three floors of the castle. In the superiors, the visitor is informed through panels, graphics, models and reproduction of weapons about the evolution of military architecture. On the lower floor, information is provided about San Felices, its role in history and the origin of the "El Noveno" festival, declared of tourist interest.
