

Environmental Centre Rebollares of Cea

The Almanza Environmental Interpretation Center has two rooms equipped with information panels dedicated to the Rebollares del Cea Natura 2000 Network, specifically Hunting and Hunting, Fishing and Riverside, Grandes Robles, Heritage, Ornithology and Mycology.

Both rooms have a projector and screen where you can enjoy the different explanatory videos of the natural resources offered by the Rebollares del Cea Natura 2000 Network. All this complemented by a series of free brochures and books that will allow each person to continue enjoying the natural environment of Almanza from home.
