

Adventure park in the trees Las Batuecas

It is integrated into a forest of tall trees, consisting of a mass of Scots pine or stone pine, mixed with chestnut and oak broadleaf crowns. An authentic tapestry over the ground that gives a magical and colorful look to this Park, with about 90 challenges aimed at all audiences, including zip lines, lianas, high ropes through treetops... This is a place where the amusement joins a perfect panoramic view of the landscape of the Sierra de Francia.
