

Villarcayo

In the heart of the Las Merindades region, on the banks of the Nela River, stands the beautiful Burgos town of Villarcayo.

Historical regional capital, its strategic location has helped it become an important hub of communication and trade between the plateau and the Cantabrian Mountains.

Its urban center preserves the flavor of yesteryear and has a good number of beautiful emblazoned houses, arcaded squares, religious temples and an excellent museum of sacred art.

Tasty local meats, as well as typical sausages and cheeses, cannot be missing from the table.

We will wait for you!
