

## Monastery of Santa Maria de Retuerta

Built in the 12th, 13th, 16th and 18th centuries, founded in 1145. Premostratense, Benedictine, it fully conserves all its features: the church, the chapel, the cloister, refectory, dormitory and guesthouse. Its Romanesque apses, 16th century Post-Herreran cloister and the 18th century guesthouse are noteworthy.

The monastery is completely restored and a hotel is located in it with its different dependencies.
