

Church of Santa Maria del Castillo

Gothic (16th century) with Renaissance elements. Restored. Funereal chapel of Santa Ana, built by the Gutierre de Mier family, whose sepulchres rest in the centre of the chapel. The chapel is dominated by a Spanish-Flemish altarpiece by Felipe de Vigarny, framing probably the most majestic board painting by Juan de Flandes, the Epiphany, topped off by a dramatic Gothic Pieta of painted stone.

Historical Data
