

## Church of San Andres

One of the most beautiful romanesque churches in Palencia. It has an interesting front, with five capitals on each side, reminiscent of the church in San Andrés del Arroyo.

## Church of San Andres

Only the apse and the main arch have been preserved inside. The capitals have cymas with vegetal motifs. The capital in the Epistle contains then typical 'David entre los leones' scene, reminiscent of the works by the sculptor of Lebanza.
