

## Parish Church of San Martin de Tours

16th-century parish church with a latin cross ground plan. Each arm of the cross is divided into three sections by round arches covered by groin vaults decorated with trefoil crosses and renaissance motifs.

The tower has three bodies, plus the belfry. The front opens onto a simple round arch with broad keystones on pilasters. The eastern wall features a beautiful Baroque window, almost Rococo, dating from 1768.
