

Hospital of the Concepcion

The merchant Diego de Bernuy was the benefactor of this charitable foundation back in the 16th century, when it was used as an inn for pilgrims travelling along the Pilgrims' Way to Santiago. The 17th century façade depicts an image of the Virgin of La Concepción.

This site safeguards tales of Saint Teresa of Ávila, as she too stayed here. Since 2nd March 1799 it has housed Burgos' Royal College of the Faculty of Medicine and Surgery. A hospital boasting a wealth of history.
