

## EL LINAR DEL ZAIRE

### Posada Real \*\*\*\*

Constructed in an impressive granite building, the inn has been carefully restored whilst maintaining its original structure and materials. Built on two levels, the ground floor consists of a reception area and, opposite this, a cosy lounge with fireplace, a restaurant and twelve of the inn's seventeen rooms. The other five rooms are to be found on the upper floor, together with a spacious terrace.

For those guests looking for a rather more exertive stay, El Linar del Zaire offers a range of local active tourism options, as well as information about the wealth of magnificent landscapes and heritage sites to be found nearby.
