

RURAL MUSICAL

Posada Real ****

Rural Musical was originally a chocolate factory with a history dating back more than 150 years. Today it houses a delightful and welcoming Posada Real which retains the structure of the original building, with thick walls and wooden floors and ceilings, remodelled to surprise and delight visitors.

From time to time Rural Musical plays tribute to its name, acting as a venue for musical performances and training. In this sense, the Posada Real has its own special facilities and instruments. Yet in the absence of formal music, there is always that provided by the nature that surrounds the Posada.
