

El Señorío de la Serrezuela

Posada Real ****

This Posada is located in a stately home dating back to the 19th century and which includes the main house, known as the 'casa del señorito' or master's house, plus a further 10 other buildings and outhouses including the stables, coach house, servants' quarters, dovecot and henhouse, etc., all set amidst spacious grounds.

The Señorío de la Serrezuela has twelve rooms, eleven doubles and one single, situated in the main building and decorated with fine wood panelling, in keeping with the atmosphere of this house. The Posada Real El Señorío de la Serrezuela offers guests various leisure options.
