

LOS CONDESTABLES

Posada Real *****

The Posada Real Los Condestables is located in a former cereal store dating back to the 19th century. It is an ancestral home typical of Tierra de Campos that has been carefully restored. After going through the entrance hallway, the visitor enters an interior patio that has tables and chairs around which the rooms and other areas of the hotel are located.

Los Condestables offers its guests ten rooms, depending on the room, there are views to the streets of Villalpando, to the high plateaus of Castilla or to the hotel garden. It includes spa service for guests and has sport activities like golf.
