

Pathway of the little market. Short route. Santa Marina de Valdeon-Fuente De

It is a variant of the journey, and allows reaching Fuente De in shorter time. The path was named for its role as route to the neighbouring region to go to fairs and livestock markets.

It will gradually gain altitude, offering us a nice panoramic of the valleys of Valdeon and Camaleño, we can also see animals in their habitats such as bears, wolves and chamois.
