

European Film Festival city of Segovia (MUCES)

The best European films meet every year in Segovia through this film festival that brings together consecrated or young directors, scriptwriters, filmmakers, actors ... displaying to the public the most current and even, in some cases, not released commercially in Spain, European cinema. Moreover, during the festival there are concerts, literary competitions, exhibitions ... and roundtables where professionals unveil their work and share their experiences.

Address

Segovia. Segovia.
