

## El Corazón de las Arribes boat

A modern catamaran designed specifically for this environment with a capacity for up to 100 passengers. The facilities include a domed cover that can be raised to provide passengers with greater **visibility and comfort, heating and air conditioning, toilets**, a terrace at the stern and **public address system**. The boat is equipped with all the required safety systems, including fire detectors and an anti-sinking system, etc.

It is based close to Aldeadávila de la Ribera, in the area known as Rostro beach.
